... and much more!

EXTERIOR & INTERIOR ACCOMMODATIONS

TOPSIDES

The flybridge features a comfortable double helm seat and wrap-around portside lounge.DOWN BELOW

Enter the bright salon through a sliding door from the cockpit. The large windows provide plenty of natural light and ventilation. You will find a comfortable c-shaped dinette, to starboard, elevated to window height. Tucked beneath the dinette area, and easily accessed just behind the helm seat, is a roomy mid-cabin, with plenty of room to sleep two or use as easy-accessible storage.The lower helm is forward to starboard, with the head compartment further forward to starboard as well. The galley is to port.Fully forward, the v-berth is spacious and sleeps two, with excellent storage areas beneath. There's a hatch, with screen, overhead, for natural light and ventilation.
